Dear Sir:

The County of Fairfax has on file for public hearing a rezoning application B-763 in the name of P. E. & P. A. NADEAU involving one acres of land. The petitioner requests a change in classification from RE-1 to C-N.

At the request of the County Board of Supervisors, all zoning reclassification petitions, which generally fall within one-half (1/2) mile of another jurisdiction, shall be made known to that particular jurisdiction.

It would be most helpful to include in the Staff's report the comments and/or action of your City/County Council, Planning Commission and Planning Staff. An early reply is requested.

Sincerely,

JOHN YAREMCHUK
Director of Planning
